

Core & Complementary Ingredient Portfolio

Updated: July 2025

CORE INGREDIENTS

*Manufactured with NPRI's Proprietary O2P (Oil-to-Powder) Technology
Stability-enhanced, inertly converted powders – clean label, no heat, no oxidation*

Category	Ingredient	Key Benefits
Omega Oils	Omega-3 (Fish, Algae, Cod Liver)	Cognitive, skin/coat, inflammation support
	Omega-6 (GLA Safflower Oil Powder)	Skin health, hormonal support, inflammation
	Omega-9 (Olive, Avocado Oil Powders)	Cardiovascular & immune health
MCT Oils	MCT (Coconut-derived) Powder	Delivery system for actives/bio-actives bypassing the digestive system – route to bloodstream, energy source, metabolic support
Specialty Seed Oils	Flaxseed, Pumpkin Seed, Sunflower	Omega-rich, coat health, antioxidant value
Functional Fats	Borage Oil, Evening Primrose	Hormonal balance, anti-inflammatory
Fat-Soluble Vitamins	Vitamin A, D, E, K (oil-to-powder)	Bioavailable nutrients, immune & bone support

COMPLIMENTARY INGREDIENTS

Strategically sourced via co-manufacturing & partnerships to enhance formula impact

Category	Ingredient	Application/Function
Joint Health	Glucosamine, Chondroitin, MSM	Mobility, cartilage support
Structural Protein	Collagen (Bovine or Marine)	Joint, coat, connective tissue
Digestive Health	Probiotics & Prebiotics (Inulin, FOS)	Gut health, microbiome balance
	Digestive Enzymes	Nutrient breakdown & absorption
Amino Acids	Taurine	Heart health (esp. for cats), antioxidant
Functional Botanicals	Turmeric, Boswellia, Ashwagandha	Anti-inflammatory, anxiety relief
Protein/Fiber Sources	Pumpkin Mealcake, Pea Protein, Sweet Potato	Digestibility, hypoallergenic protein, fiber
Natural Additives	Beet Pulp, Apple Fiber, Brewer's Yeast	Coat, gut, energy and vitality
Chelated Minerals	Zinc, Copper, Iron (organic forms)	Skin, metabolism, immune function

WHY PARTNER WITH NPRI-O2P?

- **FSSC 22000 Certified Facility**
 - **Clean Label:** No solvents, no oxidizers, no artificial carriers
 - **Scalable & Customizable Oil-to-Powder Conversion**
 - **Private Label & Toll Manufacturing Available**
 - **Backed by Science. Driven by Innovation.**
